Re: Cherokee County Cogeneration Partners, LLC v. Duke Energy Carolinas, LLC
and Duke Energy Progress, LLC
Docket No. 2020-263-E

Dear Ms. Boyd:

Attached for filing with the Public Service Commission of South Carolina ("Commission") in the above-referenced docket, please find the Revised Direct Testimony of John Freund on behalf of Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (collectively, the "Companies").

The Companies originally filed Witness Freund's testimony with the Commission on May 24, 2021 and certain portions of his testimony were filed confidentially under seal. The Companies have conferred with Complainant, Cherokee County Cogeneration Partners, LLC and determined that information that was previously redacted is not confidential and can be made publicly available. The Companies are therefore filing revised direct testimony for Witness Freund removing those redactions. The only changes to Witness Freund's testimony are the revisions to redactions and designation of confidential information.

Yours truly,

Frank R. Ellerbe, III
